

Mustang Mach-E Pricelist

Effective from 15th September 2022

Effective From 15th September 2022

SERIES RANGE

Select
Ford SYNC4A with 15.5" Touchscreen, DAB Radio, Emergency Assistance, Wireless Car Play, Wireless Android Auto, 2 front and 2 rear USB ports and 6 Speakers, FordPass Connect, Connected Navigation**
Black Onyx Full Sensico Trim with Grey Stitching
Heated Front Seats and Steering Wheel
Wireless Charging Pad
Rear View Camera & 360 Degree Camera
18" 5-Spoke Alloy Wheel
LED Reflector Headlamps
LED Mustang Signature Taillights
Black Painted, Power Fold, Heated Mirrors With Puddle Light Mustang Logo Projection
Rear Privacy Glass
Side Cladding and Wheel Arches in Black
Brace Front Grille Design
Quickclear Heated Windscreen
10.2" Digital Instrument Cluster
Selectable Drive Modes (Active, Whisper, Untamed) and One Pedal Drive
Dual Zone Electronic Automated Temperature Control (DEATC)
Manual 6-way Driver Seat Adjust
Manual 6-way Passenger Seat Adjust
E-Latch Keyless Entry System (inc. B-Pillar Keypad Access) and Keyless Start
Intelligent Adaptive Cruise Control with Stop & go and Lane Centering
Front and Rear Parking Sensors
BLIS with Cross Traffic Alert
Lane Keeping Aid and Lane Departure Warning
Pre Collision Assist including: Collision Mitigation, Forward Collision Warning, Dynamic Brake Support, Automated emergency Braking, Distance Alert/Distance Indication and Evasive Steer Assist
Thatcham Category 1 Alarm
Front Trunk
Universal Home Charging Cable and Public Charging Cable
Single Motor Rear Wheel Drive
115kw High Powered Charging

Recommended On the Road* From:
£50,830.00

Premium RWD
Ford SYNC4A with 15.5" Touchscreen, DAB Radio, Emergency Assistance, Wireless Car Play, Wireless Android Auto, 2 front and 2 rear USB ports and 6 Speakers, FordPass Connect, Connected Navigation**
Ambient Lighting
Black Perforated Full Sensico Trim with Red Stitching
Heated Front Seats and Steering Wheel
Wireless Charging Pad
Rear View Camera & 360 Degree Camera
19" Black Machined Alloy Wheels with Red Brake Calipers
Adaptive LED Mustang Signature Headlamps
LED Mustang Signature Taillights
Black Painted, Power Fold, Heated Mirrors With Puddle Light Mustang Logo Projection
Rear Privacy Glass
Side Cladding and Wheel Arches in Piano Black
Blade Front Grille Design
Quickclear Heated Windscreen
10.2" Digital Instrument Cluster
Selectable Drive Modes (Active, Whisper, Untamed) and One Pedal Drive
Dual Zone Electronic Automated Temperature Control (DEATC)
B-Way Power Driver Seat, with Lumbar Support
B-Way Power Passenger Seat, with Lumbar Support
E-Latch Keyless Entry System (inc. B-Pillar Keypad Access) and Keyless Start
Intelligent Adaptive Cruise Control with Stop & go and Lane Centering
Front and Rear Parking Sensors
BLIS with Cross Traffic Alert
Lane Keeping Aid and Lane Departure Warning
Pre Collision Assist including: Collision Mitigation, Forward Collision Warning, Dynamic Brake Support, Automated emergency Braking, Distance Alert/Distance Indication and Evasive Steer Assist
Thatcham Category 1 Alarm
Front Trunk
Universal Home Charging Cable and Public Charging Cable
Single Motor Rear Wheel Drive
150kw High Powered Charging

Recommended On the Road* From:
£59,380.00

Premium AWD
Fixed Panoramic Roof
Ford SYNC4A with 15.5" Touchscreen, B&O 10 Speaker System including Dashboard Sound Bar, DAB Radio, Emergency Assistance, Wireless Car Play, Wireless Android Auto, 2 front and 2 rear USB ports, FordPass Connect, Connected Navigation**
Ambient Lighting
Black Perforated Full Sensico Trim with Red Stitching
Heated Front Seats and Steering Wheel
Wireless Charging Pad
Rear View Camera & 360 Degree Camera
19" Black Machined Alloy Wheels with Red Brake Calipers
Adaptive LED Mustang Signature Headlamps
LED Mustang Signature Taillights
Black Painted, Power Fold, Heated Mirrors With Puddle Light Mustang Logo Projection
Rear Privacy Glass
Side Cladding and Wheel Arches in Piano Black
Blade Front Grille Design
Quickclear Heated Windscreen
10.2" Digital Instrument Cluster
Selectable Drive Modes (Active, Whisper, Untamed) and One Pedal Drive
Dual Zone Electronic Automated Temperature Control (DEATC)
B-Way Power Driver Seat, with Lumbar Support
B-Way Power Passenger Seat, with Lumbar Support
E-Latch Keyless Entry System (inc. B-Pillar Keypad Access) and Keyless Start
Intelligent Adaptive Cruise Control with Stop & go and Lane Centering
Front and Rear Parking Sensors
BLIS with Cross Traffic Alert
Lane Keeping Aid and Lane Departure Warning
Pre Collision Assist including: Collision Mitigation, Forward Collision Warning, Dynamic Brake Support, Automated emergency Braking, Distance Alert/Distance Indication and Evasive Steer Assist
Thatcham Category 1 Alarm
Hands Free Power Tailgate
Front Trunk
Universal Home Charging Cable and Public Charging Cable
Dual Motor Permanent All Wheel Drive
150kw High Powered Charging

Recommended On the Road* From:
£65,405.00

GT
Fixed Panoramic Roof
Ford SYNC4A with 15.5" Touchscreen, B&O 10 Speaker System including Dashboard Sound Bar, DAB Radio, Emergency Assistance, Wireless Car Play, Wireless Android Auto, 2 front and 2 rear USB ports, FordPass Connect, Connected Navigation**
Ambient Lighting
Grey Full Sensico Trim
Heated Front Seats and Steering Wheel
Wireless Charging Pad
Rear View Camera & 360 Degree Camera
20" Black Machine Alloy Wheels with Brembo Brakes
Adaptive LED Mustang Signature Headlamps
LED Mustang Signature Taillights
Black Painted, Power Fold, Heated Mirrors With Puddle Light Mustang Logo Projection
Rear Privacy Glass
Side Cladding and Wheel Arches in Body Colour
Unique GT Grille Design
Quickclear Heated Windscreen
MagneRide Adaptive Suspension
10.2" Digital Instrument Cluster
Selectable Drive Modes (Active, Whisper, Untamed) and One Pedal Drive
Dual Zone Electronic Automated Temperature Control (DEATC)
B-Way Power Ford Performance Driver Seat, with Lumbar Support
B-Way Power Ford Performance Passenger Seat, with Lumbar Support
E-Latch Keyless Entry System (inc. B-Pillar Keypad Access) and Keyless Start
Intelligent Adaptive Cruise Control with Stop & go and Lane Centering
Front and Rear Parking Sensors
BLIS with Cross Traffic Alert
Lane Keeping Aid and Lane Departure Warning
Pre Collision Assist including: Collision Mitigation, Forward Collision Warning, Dynamic Brake Support, Automated emergency Braking, Distance Alert/Distance Indication and Evasive Steer Assist
Thatcham Category 1 Alarm
Hands Free Power Tailgate
Front Trunk
Universal Home Charging Cable and Public Charging Cable
Dual Motor Permanent All Wheel Drive
150kw High Powered Charging

Recommended On the Road* From:
£74,540.00

* Recommended 'On the road' price includes one years road fund license, DVA first registration fee £25 and an estimated £25 for number plates.

**FordPass Connect features and Live Traffic are complimentary for a limited period following registration of the vehicle, thereafter a subscription is payable. See Ford.co.uk/FordPass for more details.

Wi-Fi hotspot includes complimentary wireless data trial for a limited time only that begins at time of activation.

Afterwards data bundles can be purchased from Vodafone. Please refer to their website for details on their data packages.

Images shown for illustrative purposes only. Body colours shown may be optional (at additional cost). See colour options page for more information

Effective From 15th September 2023

Ø The CO2 emissions test figures shown in the table are derived from the Worldwide Harmonised Light Vehicle Test Procedure (WLTP) . These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load.

For further information on CO2 and fuel performance please refer to our Fuel Consumption and CO2 section.

† Recommended 'On the road' (OTR) price includes first year road fund licence, DVLA first registration fee £55 and an estimated £25 for number plates.

* Not applicable to retail or private car buyers. BIK values are the monthly taxation payment applicable to company car users. BIK values were correct at the time of printing and are based on taxation rates for 22/23 tax year. P11D value is the sum of Recommended price + VAT & Number plate charge (£).

If a car's list price is over £40,000 (including VAT and factory fitted options) at first registration, the customer will pay an additional VED charge (currently £355) for five years after the end of the first registration (in addition to the standard VED charge per year, currently £165 for petrol / diesel car or £155 for an alternative fuel car currently £145).

ØØØ - The battery capacity figure specified is the usable capacity determined by Ford and used to calculate the stated Mustang Mach-E performance and battery durability. The figure shown in brackets is the installed capacity as defined by the battery manufacturer.

ELECTRIC TECHNOLOGY

Which electric engines is right for you?

MILD HYBRID (MHEV)

A small electric motor that helps improve efficiency versus a conventional internal combustion engine.

Mild Hybrid vehicles have two sources of power that work together – a conventional engine and a battery -driven electric motor. The electric motor does not power the car. It simply assists it.

Kuga mHEV has an auxiliary electric motor and a 48v battery that further improve fuel economy up to 56.5 mpg and lower CO2. They also assist with acceleration transferring back the energy.**

HYBRID (FHEV)

Hybrid vehicles have two sources of power.

They can automatically switch between conventional mode, pure electric mode (for short distances) or use both to power the vehicle as needed.

Kuga FHEV has a battery capacity of 1.1kW which allows short term electric propulsion, a great combination between power and fuel efficiency, whilst reducing the CO2 footprint compared to a conventional engine.

PLUG-IN HYBRID (PHEV)

Plug In. Charge up. Improves Efficiency versus a mild hybrid or hybrid engine.

Plug-in Hybrids have the two sources of power like a hybrid, but with a larger high voltage battery, enabling you to drive longer distances on all-electric power.

Kuga PHEV has a battery size of 14.4 kWh which gives a maximum EV range of 39 miles. This results in a combined average fuel economy up to 282.5 mpg and only 23 g/km CO2.**

Electric range

* Ranges are estimates only and depend on the vehicle, road conditions and driving behaviour.

** Please see the Fuel Consumption and CO2 data available in this Pricelist

Charging the battery

MILD HYBRID AND HYBRID

There's no need to plug in your vehicle for charging. Hybrid vehicles are able to recharge the battery in two ways:

- 1) Regenerative braking
- 2) Conventional engine

The conventional engine powers the generator which transforms mechanical energy into electrical energy to charge the battery.

PLUG-IN HYBRID

The larger battery in Plug-in Hybrids can be plugged-in to charge. Once the battery is depleted, the vehicle behaves like a conventional hybrid with the engine running when required.

All four electric vehicle types use regenerative braking to charge the battery. While braking, the motor is still spinning even though the car is trying to slow down.

Regenerative braking captures this typically wasted energy to create electricity, which charges the battery.

230V Wall outlet

Plug-in Hybrids and All-Electric vehicles can be charged on a 230V outlet (16A), which is the standard electrical socket in most UK households. This takes approximately 6 hours to charge the battery.

Wall box

For faster charging at home you can install a compatible wall box, which is capable of charging your vehicle in approximately 3.5 hours.

PHEV Home Wall box

Fully installed EV Box 400V (32A) is available as an accessory.

Available as an accessory

Public charging stations

Public charging stations, available in many cities and work places. The price and charging capability vary.

FUEL CONSUMPTION

The fuel consumption and CO2 emission figures shown in the table are derived from the Worldwide Harmonised Light Vehicle Test Procedure (WLTP) . These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load. The figures shown are for comparability purposes; only compare fuel consumption and CO2 figures with other vehicles tested to the same technical procedures.

You can also use Ford's online configurator to build and customise a new Ford vehicle: www.ford.co.uk/configurator . The configurator provides information about your configured vehicle's fuel consumption and CO2 emissions (these are also WLTP test figures).

Engine (Installed)	Fuel Type	Available On	Euro Emissions	Transmission	Drive	Maximum Power PS (KW)	Torque Nm	WLTP Overall Range In Miles (Combined)	WLTP Range Extra High In Miles (Motorway)	Combined Energy Consumption KWh/100km	Fuel Economy (mpg)	Efficiency Rating	High Power Charging (KW)	10-80% Charge (mins)

Notes

^aFord test figures.

^{ee} The declared Fuel/Energy Consumptions, CO2-Emissions and Electric range are determined according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EU) 2017/1151 as last amended. Light Duty Vehicles type-approved using the World Harmonised Light Vehicle Test Procedure (WLTP) have Fuel/Energy Consumptions and CO2-Emission information for both New European Drive Cycle (NEDC) and WLTP. WLTP is a new, more realistic test procedure for measuring fuel consumption and CO2 emissions and will fully replace the NEDC latest by end of the year 2020. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO2 emissions and electric range. CO2 is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO2 emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded under <http://carfueldata.dft.gov.uk>.

[†] Based on full charge. Estimated range using Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown are for comparability purposes and should only be compared with other vehicles tested to the same technical procedures. Actual range varies with conditions such as external elements like temperature, driving behaviours, vehicle maintenance, and lithium-ion battery age. WLTP Overall Range reflects a combined driving cycle and WLTP Extra High reflects motorway driving – both tests are conducted in controlled conditions with an ambient temperature of 23 degrees Celsius and no climate or electrical load.

^{eee} - The battery capacity figure specified is the usable capacity determined by Ford and used to deliver the stated Mustang Mach-E performance and battery durability. The figure shown in brackets is the installed capacity as defined by the battery manufacturer.

^{eeeee} - Calculated via peak performance of the electric motor(s) at peak battery power. Your results may vary.

^{††} Achieved using high power charging. Time dependent on charging conditions, battery temperature and size as well as ambient temperature at point of use.

PERFORMANCE

Engine	Series	Drive	Transmission	Maximum Power PS (KW)	Torque Nm	0-62 mph (secs) Rolling start / (Standing start)	Max Speed (mph)
5 Door Pure Electric							
70kWh (75kWh) Standard Range	Select	RWD	1 Speed Automatic	269PS (198kW)	430	6.1 / (6.9)	111
91kWh (98kWh) Extended Range	Premium RWD	RWD	1 Speed Automatic	294PS (216kW)	430	6.2 / (7.0)	111
91kWh (98kWh) Extended Range	Premium AWD	AWD	1 Speed Automatic	351PS (258kW)	580	5.1 / (5.8)	111
91kWh (98kWh) Extended Range	GT	AWD	1 Speed Automatic	487PS (358kW)	860	3.7 / (4.4)	124

Maximum Power - Calculated via peak performance of the electric motor(s) at peak battery power. Your results may vary.

0-62 mph - Ford test data based on testing methodology using 1-ft rollout i.e. from a rolling start. Figures shown in brackets are based on Ford test data based on testing methodology from a stationary start.

¹ Single alloy wheel. Excludes centre cap, tyre, wheel nuts, valve & fitment

² Item is non-Ford branded from an approved supplier

For any more information about any of the included Ford Accessories, or to view a full range of Ford Accessories visit www.ford-accessories.co.uk

This price list shows both original Ford accessories as well as a range of carefully selected products from third party suppliers, identified under that third party supplier's brand name. Please note that third party supplier branded accessories do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. Fitment of accessories may have an impact on your vehicle's fuel consumption.

Prices do not include fitting unless otherwise stated. Please refer to your Ford Dealer for fitted prices.

Effective From 15th September 2022

FORD PROTECT Mustang Mach-E

Every new Ford car is protected by a 3 year/60,000 mile Ford Warranty. In addition, it will also come with Ford Assistance for 1 year, providing roadside assistance in the UK and throughout Europe.

Ford Protect Service Plan Plus (Service and Maintenance packages)

If you plan on keeping your car for longer than 3 years or you would like to take out a service plan that covers your expected service costs, we have a range of extended

Service Plan Plus Features:

- Scheduled Servicing; covers scheduled servicing in accordance with Ford Standard Service Schedules including associated parts and labour, for the number of services applicable to your plan.
- The Mandatory Annual Inspection, if applicable to your vehicle and replacement brakefluid (every other year)
- Extended Ford Assistance; roadside assistance in the UK and throughout Europe including Rescue Charging, Wallbox Assistance
- Vehicle Hire; for up to 7 days

Wear and Tear Features:

- All items covered within the Service Plan Plus and in addition:
Brake Pads/shoes/discs; Clutch friction plate; Shock absorbers; Silencers; Wiper Blades (Front wiper blades max. once per year; rear wiper blades max. once every two years); Bulbs
- Exclusions:** Tyres; Interior trims; glass, seat covers; pads; frames; springs; headrests, seat belts; sheet metals, water ingress, body seals and aerals. Bodywork and paint check and Air conditioning check.

Ford Protect Classic Extended Warranties

If you plan on keeping your car for longer than 3 years or are a high mileage driver you can extend your 3 year/60,000 miles warranty to either 5 years/100,000 miles or 8 years/100,000 miles.

Extended Warranty Features:

- Cover against the cost of repair or replacement of defective parts, or to repair a material, assembly or manufacturing defect recognised by Ford
- Protection against unexpected repair bills
- All repairs will be carried out by Ford Authorised Dealers using genuine Ford parts
- Ford Protect Classic extended warranty plans can be purchased any time up until the vehicle's first date of registration

Ford Protect Service Plan Plus can be purchased any time up until the vehicle's first date of registration

Available Ford Protect Service Plan Plus plans:

- | | |
|-----------|--|
| Package 2 | 2 year/ 1 service, plus 25,000 miles Wear & Tear |
| Package 3 | 3 year/ 1 service, plus 37,500 miles Wear & Tear |
| Package 4 | 4 year 50,000 miles warranty/ 2 service, plus 50,000 miles Wear & Tear |
| Package 5 | 5 year 62,500 miles warranty/2 service, plus 62,500 miles Wear & Tear |

Notes and Conditions

- The length of your plan (and number of services on Service Plan Plus) applies from your new vehicle warranty commencement date, usually the date of first registration
- Time and mileage limits apply to all Ford Protect Plans
- Please contact your nearest Ford dealer for information on service intervals
- It is a condition of Ford Protect Service Plan Plus that your vehicle is serviced by an Authorised Ford Repairer according to the schedules in your Ford Service Portfolio
- In addition your Ford Service History Log must be kept up-to-date
- Subject to the terms and conditions of the Ford Protect Plans
- These Ford Protect Plans are transferable so it is an added benefit to the new owner if you decide to sell your vehicle
- The Extended warranty packages do not affect the Mach-E battery 8 year / 100,000 mile warranty
- Ask your Ford Dealer for full details of the Ford Protect Extended Warranty, Service Plan Plus and their associated Terms and Conditions or alternatively call Ford Protect on 03702 416726, Option 2, Option 2, or visit www.ford.co.uk

The delivery charge is included in the Basic Recommended Retail Price and is made on all models for delivery to the Dealer's premises. Where delivery is not made to the customer at the Dealer's premises a further charge may be made by the Dealer.

The Vehicle Excise Duty (VED) charged on new cars is based on their engine's CO₂ emissions* (expressed in grams per kilometre (g/km)). All CO₂ emissions figures in g/km are derived from the Worldwide Harmonised Light Vehicle Test Procedure (WLTP). These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load.¹

You can also use Ford's online configurator to build and customise a new Ford vehicle: www.ford.co.uk/configurator. The configurator provides information about your configured vehicle's fuel consumption and CO₂ emissions (these are also WLTP test figures).

The chart above shows the Bands and the VED which will be levied (for vehicles registered from 1st April 2022 onwards).

If a car's list price is over £40,000 (including VAT and factory fitted options) at first registration, the customer will pay an additional VED charge (currently £355) for five years after the end of the first registration (in addition to the standard VED charge per year, currently £165 for petrol / diesel car or £155 for an alternative fuel car).

OTHER PRICING CONSIDERATIONS

Customer Order Price Protection

Ford's Price Protection Plan means that the price you pay is the same as the price on your order as long as you are prepared to accept delivery within three months, and in any event, as soon as your vehicle is available. Your Dealer has full details of the plan. Ford Motor Company Ltd is not liable for changes in price caused by Government changes in tax rates, tariffs, customs, Government incentives/grants or changes in other applicable legislation.

VAT

VAT is shown calculated at 20%. The total price of a vehicle, including factory fitted options and accessories fitted by the Ford Dealer, will be subject to VAT on retail sale.

Price Changes

This price list outlines Ford's Recommended On The Road Prices and Recommended Retail Prices. Please contact your Ford Dealer for final sale prices. This price list is effective from 15th September 2022, and supersedes all previous price lists. The recommended prices in the publication were true and accurate at the time of printing. You should, however, check details with your Dealer as there may have been changes to Ford's recommended prices in view of Ford's policy of continuous development. Ford reserves its right to change prices at anytime. Change to government legislation or tax changes could result in a change to Ford's published prices.

ILLUSTRATIONS, DESCRIPTIONS AND SPECIFICATIONS

The product information in this publication was correct at the time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change specifications and colours of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability.

Some images portrayed are of a pre-production model and/or are computer generated, therefore the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional, e.g. metallic paint.

Please also note some driver assistance features and safety features described in this publication are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.
